## Data center

- Muenster, Germany**
- Frankfurt am Main, Germany**
- London, Great Britain**
- Amsterdam, Netherlands**
- Rotterdam, Netherlands**
- Bruessel, Belgium**
- Milan, Italy**
- New York City, USA**

The availability of our Business-Housing products and the options as listed on the order form depends on our capacities in the given datacenters. Usually installation of the service is finished within 10 working days after receiving the order. The option "additional redundant power plug 230V (generator)" is not available in all locations. Permanent access to the rack without prior announcement is included with any orders of at least 10 height units.

## Delivery date

- As soon as possible
- Not before date: \_\_\_\_\_

## Contract duration

- 3 months
- 12 months

Our offers are valid only for registered businesses. All prices excluding VAT. Errors and omissions excepted. Subject to our general terms and conditions printed on the back side of this order form.
