Postcode: _____ City: _____

Area Code: _____
Building, floor, room: _____

Our DSL-Business products can be supplied, when a free copper line into the customer premises is available. A bandwidth-check is performed on all incoming orders. In particular cases we might be unable to deliver the line with the in advance guaranteed bandwidth as ordered by the client due to technical reasons (e.g. line length, attenuation etc.) In this case it's subject to the clients decision whether to continue the contract with the effectively available bandwidth or to withdraw from the contract.

Delivery date

- As soon as possible
- Not before date: _____

Contract duration

- 3 months
- 12 months

Our offers are valid only for registered businesses. All prices excluding VAT. Errors and omissions excepted. Subject to our general terms and conditions printed on the back side of this order form.
